## Wedding Information:

Your wedding day is very important to you. So I will do everything I can to make it easy, enjoyable, and make memories that will last a lifetime.

For one hour of my time, the cost is \$300 with a \$50 credit to purchase any of the available products. Each additional hour or portion of an hour is \$200 with a \$50 credit.

You can purchase a CD of all your original images, edited, color balanced and with copyrights released if you wish. Or you can purchase a professional album filled with your desired photos. You will also have the options of color, sepia, black/white and many more enhancements that are available to you.

All images will be posted in a secured online galley to allow you to casually view and order prints.

Family and friends are also able to order prints that are shipped directly to them.

We are available to travel if necessary.

## Album Design Service:

This service is included with your wedding coverage. We will help you design and finalize your album to your specifications. We will discuss cropping, color, black & white and the many enhancements available in customizing your album. Allow at least 2 hours for this service. Even if it doesn't take that long.
